

# Silvervine Games Player Picture Project - Release

The Silvervine Games Player Picture Project is a chance for you to get your character featured in Silvervine products and stories. We make use of player created characters as pregens for convention games, as NPCs in adventures, and we sometimes feature them in our books. If you would like your character to be considered, we need some information about the character and your permission to use the character. Fill out the information on the next few pages, click the digital signature field, save the PDF, and email it to us at [ppp@silvervinegames.com](mailto:ppp@silvervinegames.com). The digital signature must be entered in order for your character to be considered. Adobe Acrobat may be required to make use of the PDF.
